

## Vitality Stack Receives a Bronze in the 2018 International Business Awards

August 13, 2018

SALT LAKE CITY, Aug. 13, 2018 (GLOBE NEWSWIRE) -- LifeVantage Corporation (Nasdaq: LFVN) has been awarded a Bronze Stevie Award for Best New Product or Service of the Year in the Health and Pharmaceuticals category in the 2018 International Business Awards®. LifeVantage received the award for its **Vitality Stack™** Packets, a portable companion to the company's popular Vitality Stack.

The awards program was created in 2002 to honor and generate the achievements and positive contributions of organizations and working professionals worldwide. Since then, it has become one of the business' most coveted prizes. [The International Business Awards®](#) are open to all organizations worldwide and include categories to honor accomplishments in all aspects of work life.

This year, the International Business Awards drew over 3,900 nominations from organizations of all types in more than 74 countries around the world. Winners were determined through more than two months of judging by the average scores of more than 270 professionals worldwide. The awards will be presented during a gala event in London, England, on October 20.

"We are honored to be recognized as a Stevie Award-winner," said LifeVantage President and CEO Darren Jensen. "It confirms what we've known all along – that the Vitality Stack represents a breakthrough system of products for biohackers and any health-minded individual. It's making a significant impact in the lives of our customers."

LifeVantage introduced Vitality Stack Packets on January 20 of this year as an additional entry point for on-the-go customers who want to improve their health through biohacking. Less than seven months later, Vitality Stack Packets continue to make significant strides in the market, further cementing LifeVantage's position as a pioneer and global leader in the biohacking movement. Vitality Stack was introduced to the market a few months earlier in November 2017.

Vitality Stack consists of **Protandim® Nrf2 Synergizer™** that is proven to fight oxidative stress, **Protandim® Nrf1 Synergizer™** to boost mitochondrial production, **PhysIQ™** ProBio that supports a healthy microbiome, and Omega+ that provides the fatty acids needed to support brain health.\*

### Forward Looking Statements

This document contains forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Words and expressions reflecting optimism, satisfaction or disappointment with current prospects, as well as words such as "believe", "hopes", "intends", "estimates", "expects", "projects", "plans", "anticipates", "look forward to", "goal", "may be", and variations thereof, identify forward-looking statements, but their absence does not mean that a statement is not forward-looking. Examples of forward-looking statements include, but are not limited to, statements we make regarding our future growth, distributor success, and shareholder value. Such forward-looking statements are not guarantees of performance and the Company's actual results could differ materially from those contained in such statements. These forward-looking statements are based on the Company's current expectations and beliefs concerning future events affecting the Company and involve known and unknown risks and uncertainties that may cause the Company's actual results or outcomes to be materially different from those anticipated and discussed herein. These risks and uncertainties include, among others, those discussed in greater detail in the Company's Annual Report on Form 10-K and the Company's Quarterly Report on Form 10-Q under the caption "Risk Factors," and in other documents filed by the Company from time to time with the Securities and Exchange Commission. The Company cautions investors not to place undue reliance on the forward-looking statements contained in this document. All forward-looking statements are based on information currently available to the Company on the date hereof, and the Company undertakes no obligation to revise or update these forward-looking statements to reflect events or circumstances after the date of this document, except as required by law.
