Cautionary Note Regarding Forward Looking Statements

This document contains forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Words and expressions reflecting optimism, satisfaction or disappointment with current prospects, as well as words such as "believe," "will," "hopes," "intends," "estimates," "expects," "projects," "plans," "anticipates," "look forward to," "goal," "may be," and variations thereof, identify forward-looking statements, but their absence does not mean that a statement is not forward-looking. The declaration and/or payment of a dividend during any quarter provides no assurance as to future dividends, and the timing and amount of future dividends, if any, could vary significantly in comparison both to past dividends and to current expectations. Examples of forward-looking statements include, but are not limited to, statements we make regarding expected financial performance, including revenue and margins, executing against and the benefits of our key initiatives, future growth, including geographic and product expansion, expected financial performance, and expected dividend payments in future quarters. Such forward-looking statements are not guarantees of performance and the Company's actual results could differ materially from those contained in such statements. These forward-looking statements are based on the Company's current expectations and beliefs concerning future events affecting the Company and involve known and unknown risks and uncertainties that may cause the Company's actual results or outcomes to be materially different from those anticipated and discussed herein. These risks and uncertainties include, among others, further deterioration to the global economic and operating environments, as well as those discussed in greater detail in the Company's Annual Report on Form 10-K and the Company's Quarterly Report on Form 10-Q under the caption "Risk Factors," and in other documents filed by the Company from time to time with the Securities and Exchange Commission (the "SEC"). The Company cautions investors not to place undue reliance on the forward-looking statements contained in this document. All forward-looking statements are based on information currently available to the Company on the date hereof, and the Company undertakes no obligation to revise or update these forward-looking statements to reflect events or circumstances after the date of this document, except as required by law.
