Fiddler's Green Circle, Greenwood Village, CO 80111 for the following purposes:

These items of business are more fully described in the Proxy Statement accompanying this Notice.

Our Board of Directors has fixed October 29, 2007 as the record date for determining the shareholders entitled to receive notice of and to vote at the Annual Meeting. PROXY STATEMENT
FOR THE 2007 ANNUAL MEETING OF SHAREHOLDERS

November 5, 2007

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why am I receiving these materials?

We sent you this proxy statement and the enclosed proxy card because the Board of Directors of Lifevantage Corporation (sometimes referred to as the "Company" or "LifeVantage") is soliciting your proxy to vote at the 2007 Annual Meeting of Shareholders. You are invited to attend the annual meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card.

We intend to mail this proxy statement and accompanying proxy card on or about November 5, 2007 to all our shareholders of record as of the record date entitled to vote at the annual meeting.

Where and when is the Annual Meeting?

The annual meeting will take place Friday, November, 30, 2007 at 9:00 a.m. local time at Plaza Tower One, First Floor Conference Center, 6400 S. Fiddler's Green Circle, Greenwood Village, CO 80111.

What am I voting on?

There are two matters scheduled to be voted on by shareholders at the annual meeting:

- Election of three (3) directors to our Board of Directors; and
- Approval of a proposal to ratify the appointment of Gordon, Hughes & Banks, LLP as independent auditors of the Company for its fiscal year ending June 30, 2008.

Who can vote at the annual meeting?

Only shareholders of record at the close of business on October 29, 2007 will be entitled to vote at the annual meeting. On the record date, there were 22,268,034 shares of common stock outstanding and entitled to vote.

Shareholders of Record: Shares Registered in Your Name

If on October 29, 2007 your shares were registered directly in your name with our transfer agent, Computershare Trust Co., Inc., then you are a shareholder of record. As a shareholder of record, you may vote by proxy or vote in person at the meeting. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on October 29, 2007 your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the shareholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the annual meeting provided that you bring with you proof of your beneficial ownership of shares, such as a brokerage account statement. However, if you are not the shareholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

How do I vote?

You may either vote “For” all the nominees to our Board of Directors or you may “Withhold” your vote for any nominee you specify. For each of the other matters to be voted on, you may vote “For” or “Against” or abstain from voting. The procedures for voting are fairly simple:

Shareholder of Record: Shares Registered in Your Name

If you are a shareholder of record, you may vote by proxy using the enclosed proxy card or in person at the annual meeting. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

- *Voting Your Proxy By Mail.* To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.
- *Vote in Person.* To vote in person, come to the annual meeting and we will give you a ballot when you arrive.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from LifeVantage. Simply complete and mail the proxy card to ensure that your vote is counted.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of October 29, 2007.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count “For” and “Withhold” and, with respect to proposals other than the election of directors, “Against” votes, abstentions and broker non-votes.

Because the approval of each proposal (other than the election of directors) requires the affirmative vote of a majority of the outstanding shares of common stock, abstentions will be counted towards the vote total for each proposal and will have the same effect as “Against” votes. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

What are broker non-votes?

When a broker indicates on its proxy that it does not have authority to vote certain shares held in “street name” on particular proposals, the shares not voted are called “broker non-votes.” Broker non-votes occur when brokers do not have discretionary voting authority on certain “non-routine” proposals under the rules of the New York Stock Exchange (NYSE) and the beneficial owner has not instructed the broker how to vote on these proposals. Both the election of directors and ratification of the selection of our independent registered public accounting firm are considered “routine” matters under the rules and interpretations of the NYSE.

How many votes are needed to approve each proposal?

- For the election of directors, the three (3) nominees receiving the most “For” votes (among votes properly cast in person or by proxy) will be elected. Only votes “For” or “Withheld” will affect the outcome.
- The ratification of the selection of Gordon, Hughes & Banks, LLP as our independent auditor for the fiscal year ended June 30, 2008 will be approved if a majority of the outstanding shares vote “For” such ratification. If you “Abstain” from voting, it will have the same effect as an “Against” vote. Broker non-votes will have no effect.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

- You may submit another properly completed proxy card with a later date;
- You may send a written notice that you are revoking your proxy to LifeVantage’s Secretary at 6400 South Fiddler’s Green Circle, Suite 1970, Greenwood Village, Colorado, 80111; or
- You may attend the annual meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank to change your vote.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted “For” the election of all three (3) nominees for director and “For” the selection of Gordon, Hughes & Banks, LLP as our independent auditor for our fiscal year ending June 30, 2008. If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

What is the quorum requirement?

A quorum of shareholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares are represented by shareholders present at the meeting or by proxy. On the record date, there were 22,268,034 shares of common stock outstanding and entitled to vote. Thus, 11,134,018 shares of common stock must be represented by shareholders present at the meeting in person or by proxy to constitute a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of our shareholders entitled to vote at the meeting, present in person or by proxy, shall have the power to adjourn the meeting to another date.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We will also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

When are shareholder proposals due for next year's annual meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by July 4, 2008 to LifeVantage's Secretary at 6400 South Fiddler's Green Circle, Suite 1970, Greenwood Village, Colorado, 80111. If you wish to submit a proposal that is not to be included in next year's proxy materials or nominate a director, you must do so by no earlier than July 4, 2008 and no later than August 3, 2008. You are also advised to review the Company's Bylaws, which contain additional requirements about advance notice of shareholder proposals and director nominations.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in our quarterly report on Form 10-QSB for the second quarter of fiscal year 2008, which we expect to file on or before February 14, 2008. You can obtain a copy of the Form 10-QSB, once it is filed, on our website at www.lifevantage.com, by calling the Securities and Exchange Commission at (800) SEC-0330 for the location of the nearest public reference room, or through the EDGAR system at www.sec.gov. Our website does not constitute part of this proxy statement.

IT IS THE INTENTION OF THE AGENTS DESIGNATED IN THE ENCLOSED PROXY CARD TO VOTE "FOR" THE ELECTION OF EACH NOMINEE FOR DIRECTOR IDENTIFIED BELOW (UNLESS AUTHORITY IS WITHHELD BY THE SHAREHOLDER GRANTING THE PROXY) AND "FOR" PROPOSAL 2 BELOW. IF ANY NOMINEE BECOMES UNAVAILABLE TO SERVE FOR ANY REASON, THE PROXY WILL BE VOTED FOR A SUBSTITUTE NOMINEE OR NOMINEES TO BE SELECTED BY THE COMPANY'S BOARD OF DIRECTORS, UNLESS THE SHAREHOLDER WITHHOLDS AUTHORITY TO VOTE FOR THE ELECTION OF DIRECTORS.

PROPOSAL 1 – ELECTION OF DIRECTORS

LifeVantage’s Board of Directors consists of three directors. Our Board of Directors proposes that Dr. James D. Crapo, Mr. Jack R. Thompson and Dr. Joe M. McCord be elected as directors of the Company. Each director to be elected will hold office until the next annual meeting of shareholders and until his successor is elected and qualified, or, if sooner, until the director’s death, resignation or removal. We encourage nominees for directors to attend the annual meeting. Each of the nominees listed below, except for Jack R. Thompson, is currently a director of the Company who was previously elected by the shareholders. Mr. Thompson was elected to the Company’s Board of Directors on September 18, 2007 upon the unanimous approval of the Board of Directors.

Directors are elected by a plurality of the votes properly cast in person or by proxy. Cumulative voting is not permitted. The three (3) nominees receiving the highest number of affirmative votes will be elected. Shares represented by properly executed proxies will be voted, if authority to do so is not withheld, for the election of the three (3) nominees named below. If any nominee becomes unavailable for election as a result of an unexpected occurrence, your shares will be voted to fill any vacancy so arising in accordance with the discretionary authority of the persons named in the proxy, unless contrary instructions are given. Each person nominated for election has agreed to serve if elected. Our management has no reason to believe that any nominee will be unable to serve.

Board Recommendation

Our Board of Directors recommends the shareholders vote FOR each named director nominee.

Independence of Board of Directors and Committees

Even though we are not a listed issuer and our shares are not traded on an exchange, in order to determine whether the members of our Board of Directors are independent, the Securities and Exchange Commission (“SEC”) rules require that we use the definition of “independence” of a national securities exchange (like the New York Stock Exchange or the NASDAQ Stock Market) or national securities association when making this determination. In determining the independence of the members of our Board of Directors, our Board of Directors elected to use the definition of independence contained in NASDAQ Stock Market (“NASDAQ”) listing requirements. As required under NASDAQ listing standards, a majority of the members of a listed company’s Board of Directors must qualify as “independent,” as affirmatively determined by the Board of Directors. The Board of Directors consults with the Company’s counsel to ensure that its determinations are consistent with all relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in pertinent listing standards of the NASDAQ as in effect time to time. Consistent with these considerations, after review of all relevant transactions or relationships between each director, or any of his or her family members, and the Company, its senior management and its independent auditors, our Board of Directors affirmatively has determined that Dr. Crapo and Mr. Thompson are independent directors within the meaning of the applicable NASDAQ listing standards. Mr. John Van Heuvelen, who resigned from the Board of Directors on August 25, 2007, was also independent. Mr. James Krejci, the Company’s former President and Chief Executive Officer, who resigned from the Board of Directors on August 31, 2007, was not independent.

Our Board of Directors has determined that each of Mr. Jack R. Thompson and Dr. James D. Crapo qualify as “independent” members of the audit committee and that Dr. James D. Crapo qualifies as an “independent” member of the nominating committee. Dr. McCord, the other member of our nominating committee, is not independent.

Meetings of the Board of Directors and Committees

During the last fiscal year, our Board of Directors held fifteen meetings, the audit committee held eight meetings, the compensation committee held three meetings and the nominating committee held no meetings. Each of our incumbent directors attended at least 75% of the aggregate of (1) the total number of meetings of our Board of Directors (held during the period for which he has been a director) and (2) the total number of meetings held by all committees of our Board of Directors on which he served (held during the periods that he served).

Committees of the Board of Directors

Our Board of Directors has (i) an audit committee, (ii) a nominating committee, and (iii) a compensation committee. Below is a description of each committee of our Board of Directors.

Audit Committee. The current members of our Board of Directors' audit committee are Mr. Jack R. Thompson and Dr. James D. Crapo, with Mr. Thompson serving as chairman. Our Board of Directors has determined that Mr. Thompson qualifies as an "audit committee financial expert," as that term is defined in applicable SEC regulations. Our Board of Directors made a qualitative assessment of Mr. Thompson's level of knowledge and experience based on a number of factors, including his formal education, experience as an executive officer for public reporting companies and his experience as an audit committee chairman for other publicly traded companies. In addition to serving on our audit committee, Mr. Thompson also serves as chairman of the audit committee of Sparx Asia Funds. Our Board of Directors has determined that such simultaneous service does not impair Mr. Thompson's ability to effectively serve as chairman of our audit committee.

The audit committee oversees (1) the integrity of our financial statements, (2) our compliance with legal and regulatory requirements; (3) the engagement of our independent auditor and its qualifications and independence; (4) the performance of our internal auditors and independent auditor; and (5) compliance with our code of ethics and code of business conduct and ethics for our personnel. For this purpose, the audit committee performs several functions. The audit committee evaluates the performance of and assesses the qualifications and independence of the independent auditors; determines and approves the engagement of the independent auditors; determines whether to retain or terminate the existing independent auditors or to appoint and engage new independent auditors; reviews and approves the retention of the independent auditors to perform any proposed permissible non-audit services; monitors the rotation of partners of the independent auditors on the audit engagement team as required by law; confers with management and the independent auditors regarding the effectiveness of internal controls over financial reporting; reviews and approves all related-party transactions; prepares an audit committee report as required by the SEC to be included in the annual proxy

[Table of Contents](#)

statement; establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and meets to review our annual audited financial statements and quarterly financial statements with management and the independent auditor, including reviewing disclosures under “Management’s Discussion and Analysis of Financial Condition and Results of Operations.” The audit committee operates under a written charter adopted by our Board of Directors that is attached as [Appendix A](#) to these proxy materials.

Compensation Committee. The current member of our Board of Directors’ compensation committee is Dr. Crapo. The compensation committee reviews and approves our overall compensation strategy and policies. The compensation committee (1) reviews and approves corporate performance goals and objectives relevant to the compensation of our executive officers and other senior management; (2) reviews and approves the compensation and other terms of employment of our chief executive officer and other executive officers; (3) makes recommendations to our Board of Directors regarding new compensation plans and programs, including equity compensation plans; (4) administers the 2007 Long-Term Incentive Plan and any other similar programs and (5) reviews director compensation and recommends from time to time to our Board of Directors any proposed changes in such compensation.

Our Board of Directors has not yet adopted a written charter for the compensation committee nor does the compensation committee have written processes for evaluation compensation. However, the compensation committee formulates its compensation recommendations to the Board of Directors based upon Company performance relative to goals and objectives, as well as consulting with third party industry experts and referencing industry compensation scales.

Nominating Committee. The current members of our Board of Directors’ nominating committee are Dr. McCord and Dr. Crapo, with Dr. Crapo serving as chairman. The nominating committee of our Board of Directors is responsible for (1) identifying, reviewing and evaluating candidates to serve as directors of the Company (consistent with criteria set forth below under the section titled “Director Nomination Procedures,” approved by our Board of Directors), (2) reviewing and evaluating incumbent directors, (3) recommending to our Board of Directors candidates for election to the Board of Directors, (4) considering questions of independence of members of the Board of Directors, and (5) assessing the performance of our Board of Directors. Our Board of Directors has not yet adopted a written charter for the nominating committee.

Director Nomination Procedures

Our Board of Directors has established a nominating committee and assigned certain responsibilities to the committee, but we have not yet adopted a written nominating committee charter. Although we are not a listed issuer and we are not currently required to have a nominating committee charter, our Board of Directors is nonetheless considering the proposed scope of the nominating committee’s responsibilities to be reflected in a written charter. Currently, the nominating committee evaluates and reviews director nominee candidates and our Board of Directors is responsible for proposing a slate of nominees to the shareholders for election to the board, using information provided by the committee. Each of Mr. Thompson, Dr. Crapo and Dr. McCord were recommended by our Board of Directors for election at the 2007 Annual Meeting of Shareholders.

Our members of the nominating committee, and other members of our Board of Directors, are the primary sources for the identification of prospective nominees. The nominating committee may also retain third-party search firms to identify director candidates, and the committee may consider proposed nominees that are identified by shareholders in the manner prescribed by our bylaws. In order for a shareholder to recommend a prospective nominee for election to our Board of Directors at a shareholder meeting, our bylaws require that the shareholder (i) be entitled to vote at the meeting, (ii) provide written advance notice regarding such nomination to our corporate Secretary in accordance with the procedures set forth in our bylaws and (iii) be a shareholder of record at the time of giving the notice.

While the nominating committee currently has no formal written process for evaluating proposed nominees, the members of the committee generally will review the resume of a proposed nominee and consult the proposed nominee’s personal references. The nominating committee conducts any other appropriate and necessary background checks of possible candidates. The committee may also personally interview (and suggest that other members of our Board of Directors interview) the proposed nominee, if the committee considers the proposed nominee sufficiently suitable.

The nominating committee evaluates the prospective nominee in order to determine whether the nominee has experience and expertise in our industry, the ability to offer sound advice and guidance to management, sufficient time to devote to the affairs of the Company, and has demonstrated excellence in his or her field and the ability to exercise sound business judgment. Candidates for director nominees are reviewed in the context of the current composition of our Board of Directors, the operating requirements of the Company and its long-term best interests. In conducting this assessment, the nominating committee considers diversity, age, skills,

[Table of Contents](#)

and such other factors as it deems appropriate given the current needs of our Board of Directors and the Company, to maintain a balance of knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the nominating committee reviews such directors' overall service to the Company during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such directors' independence. The nominating committee may modify these qualifications from time to time and is currently considering whether to establish a set of corporate governance practices and policies with additional standards and qualifications.

After its evaluation of a candidate's qualifications, the nominating committee then selects a nominee for recommendation to our Board of Directors by majority vote. The board determines the nominees after considering the recommendation and report of the nominating committee.

To date, the nominating committee has not paid a fee to any third party to assist in the process of identifying or evaluating director candidates and the nominating committee has not rejected a timely director nominee from a shareholder or shareholders holding more than 5% of our voting stock. The members of the nominating committee recommended Mr. Thompson as a nominee for the Board of Directors.

Other Committees

In addition to the audit committee, compensation committee and nominating committee, our Board of Directors also has formed a science committee. The current members of the science committee are Dr. Crapo and Dr. McCord, with Dr. McCord serving as chairman. This committee meets on an ad hoc basis as our Board of Directors deems necessary to review and advise the Board of Directors with respect to matters assigned by the board from time to time. The science committee has a written mission statement.

PROPOSAL 2 – RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

Gordon, Hughes & Banks, LLP has audited the Company’s financial statements since December 22, 2004. Representatives of Gordon, Hughes & Banks, LLP are expected to be present at the annual meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company’s Bylaws nor other governing documents or law require shareholder ratification of the selection of Gordon, Hughes & Banks, LLP as our independent auditors. However, the audit committee is submitting the selection of Gordon, Hughes & Banks, LLP to the shareholders for ratification as a matter of good corporate governance. If the shareholders fail to ratify the selection, the audit committee will review its future selection of independent auditors. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and our shareholders.

The affirmative vote of the holders of a majority of the outstanding shares of common stock will be required to ratify the selection of Gordon, Hughes & Banks, and LLP. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the shareholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

The policies require pre-approval of all auditing and such non-auditing services as our independent auditor is permitted to provide, subject to de minimus exceptions for services other than audit, review, or attest services that are approved by the audit committee prior to completion of the audit. All of the items identified under “Audit-Related Fees”, “Tax Fees” and “All Other Fees” above were approved by the audit committee. Alternatively, the engagement of our independent auditor may be entered into pursuant to pre-approved policies and procedures that our audit committee may establish, so long as these policies and procedures are detailed as to particular services and the audit committee is informed of each service. In making these determinations, the audit committee will consider whether the services provided are compatible with maintaining our auditor’s independence. We are prohibited by applicable law from obtaining certain non-audit services from our independent auditor and, in that event, we would obtain these non-audit services from other providers.

The audit committee has determined that the rendering of the services other than audit services by Gordon, Hughes & Banks, LLP is compatible with maintaining the principal accountant’s independence.

Board Recommendation

Our Board of Directors recommends the shareholders vote FOR ratification of Gordon, Hughes & Banks, LLP as our independent auditors for the fiscal year ending June 30, 2008.

AUDIT COMMITTEE REPORT

The audit committee is responsible for overseeing (i) the integrity of our financial statements, (ii) our compliance with legal and regulatory requirements, (iii) our independent registered public accounting firm's qualifications and independence, (iv) the performance of our independent registered public accounting firm and (v) compliance with our Code of Ethics and Code of Business Conduct and Ethics. Management is responsible for the financial reporting process, including the system of internal controls, for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. Gordon, Hughes & Banks, LLP, our independent registered public accounting firm, is responsible for auditing our financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

The committee has held discussions with management and the independent registered public accounting firm. Management represented to the committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. The committee received the written disclosures and letter required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed the independence of the independent registered public accounting firm with the firm. In addition, the committee has discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Codification of Statements on Auditing Standards, AU §380).

The committee has also considered whether the provision of non-audit services to us is compatible with maintaining the independent registered public accounting firm's independence. The committee has concluded that the independent registered public accounting firm is independent from us and our management. The committee has reviewed with the independent registered public accounting firm the overall scope and plans for their audit.

Relying on the foregoing reviews and discussions, the committee recommended to our Board of Directors the inclusion of the audited consolidated financial statements in our Annual Report on Form 10-KSB for the year ended June 30, 2007, for filing with the SEC.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as "householding," potentially means extra convenience for shareholders and cost savings for companies.

This year, a number of brokers with account holders who are Lifevantage Corporation shareholders will be "householding" our proxy materials. A single proxy statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement and annual report, please notify your broker, direct your written request to Lifevantage Corporation., Bradford K. Amman, Secretary, 6400 South Fiddler's Green Circle, Suite 1970, Greenwood Village, Colorado, 80111. Shareholders who currently receive multiple copies of the proxy statement at their address and would like to request "householding" of their communications should contact their broker.

OTHER MATTERS

Our Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.

INCORPORATION BY REFERENCE

**LIFEVANTAGE CORPORATION
AUDIT COMMITTEE CHARTER**

As adopted January 30, 2006

Purpose and Authority

The purpose of the Audit Committee (the "Committee") is to assist the Board of Directors (the "Board") in overseeing: (1) the integrity of the Company's financial statements; (2) the Company's compliance with legal and regulatory requirements; (3) the independent auditor's qualifications and independence; (4) the performance of the Company's internal auditors, if applicable, and independent auditor; and (5) compliance with the Company's code of ethics for senior financial officers and compliance with the Company's code of conduct for all Company personnel. The Committee shall have the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the independent auditor. The Committee shall also have all authority necessary to fulfill the duties and responsibilities assigned to the Committee in this Charter or otherwise assigned to it by the Board. The Committee shall fulfill its oversight role by performing the duties and responsibilities set forth in this Charter.

Considering that the Committee's job is one of oversight, it recognizes that the Company's management is responsible for preparing the Company's financial statements and that the outside auditors are responsible for auditing those financial statements. Additionally, the Committee recognizes that financial management, as well as the outside auditors, has more time, knowledge and more detailed information on the Company than do Committee members. Consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurances as to the Company's financial statements or any professional certification as to the outside auditors work.

As the Committee deems appropriate, it may retain independent counsel, accounting and other professionals to assist the Committee without seeking Board approval with respect to the selection, fees or terms of engagement of any such advisors.

Committee Structure and Expertise

The Committee shall consist of at least three directors or such other number as the Audit Committee may have and remain in compliance with the rules and regulations promulgated by the NASDAQ Stock Market, who shall be appointed by the Board. The Board may remove any member of the Committee with or without cause. Each member of the Committee shall be "independent" as that term is defined in NASDAQ Stock Market ("NASDAQ") Rule 4200(a)(15) and shall otherwise meet the independence and experience requirements of NASDAQ, Section 10A-3 of the Securities Exchange Act of 1934 (the "Exchange Act"), and the rules and regulations of the SEC. The Board may, at any time and in its complete discretion, replace a Committee member. Each member of the Committee shall be financially literate and shall, at a minimum, be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement and cash flow statement. No member of the Committee shall have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three years. At least one Committee member shall have, through education and experience as a public accountant or auditor, or a principal financial officer, controller or principal accounting officer or a chief executive officer, or from performance of similar functions, sufficient financial expertise in accounting and auditing so as to be a "financial expert", in accordance with such regulations as may be applicable to the Company from time to time.

If the Committee is aware of any material noncompliance with the structure or expertise requirements set forth above, the Committee shall report such noncompliance to the Board, who must then notify NASDAQ promptly of such noncompliance.

Meetings

The Committee shall meet as often as necessary, at least on a quarterly basis. The Committee shall meet in separate, private sessions with each of management, the independent auditor and the internal auditors to discuss anything the Committee or these groups believe should be discussed. The Committee may require any Company officer or employee or the Company's outside counsel or external auditor to attend a Committee meeting or to meet with any members of, or consultants to, the Committee, and to provide pertinent information as necessary. In the absence of a member designated by the Board to serve as chair, the members of the Committee may appoint from among their number a person to preside at their meetings.

The Committee shall maintain minutes and other relevant documentation of all its meetings and shall report regularly to the Board.

Committee Authority and Responsibilities

The Committee shall have the following duties and responsibilities, in addition to any duties and responsibilities assigned to the Committee from time to time by the Board:

Engagement of Independent Auditor

- Directly appoint, retain, and compensate the Company’s independent auditor. The Committee has the sole authority to approve all audit engagement fees and terms, as well as all significant non-audit engagements with the independent auditor. The Committee shall be directly responsible for overseeing the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company. The independent auditor shall report directly to the Committee.
- Pre-approve all auditing and such non-auditing services as the independent auditor is permitted to provide, subject to *de minimus* exceptions for other than audit, review, or attest services that are approved by the Committee prior to completion of the audit. Alternatively, the engagement of the independent auditor may be entered into pursuant to pre-approved policies and procedures established by the Committee, provided that the policies and procedures are detailed as to the particular services and the Committee is informed of each service. In considering whether to pre-approve any non-audit services, the Committee shall consider whether the provision of such services is compatible with maintaining the independence of the auditor.
- Ensure that the Committee’s approval of any non-audit services is publicly disclosed pursuant to applicable laws, rules and regulations.
- Discuss policies with respect to risk assessment and risk management.
- At least annually, obtain and review a report by the independent auditor describing the firm’s internal quality control procedures; any material issues raised by the most recent internal quality-control review, or peer review, of the firm or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and (to assess the auditor’s independence) all relationships between the independent auditor and the Company.
- The Committee shall have the authority to engage, without Board approval, independent legal, accounting, and other advisors as it deems necessary to carry out its duties. The Company shall provide appropriate funding, as determined by the Committee, to compensate the independent auditor, outside legal counsel, or any other advisors employed by the Committee, and to pay ordinary Committee administrative expenses that are necessary and appropriate in carrying out its duties.

Evaluate Independent Auditor’s Qualifications, Performance and Independence

- At least annually, evaluate the independent auditor’s qualifications, performance and independence, including that of the lead audit partner.
- At least annually, obtain and review the letter and written disclosures from the independent auditor consistent with Independence Standards Board No. 1, including a formal written statement by the independent auditor delineating all relationships between the auditor and the Company; actively engage in a dialogue with the auditor with respect to that firm’s independence and any disclosed relationships or services that may impact the objectivity and independence of the auditor; and take, or recommend that the Board take, appropriate action to oversee the independence of the outside auditor.
- Discuss with the independent auditor the matters required to be discussed by the Statement of Auditing Standards (“SAS”) No. 61, *Communications with Audit Committee*, SAS No. 89, *Audit Adjustments*, and SAS No. 90, *Audit Committee Communications*, all as amended from time to time, together with any other matters as may be required for public disclosure or otherwise under applicable laws, rules and regulations.
- Ensure that the independent auditor’s lead partner and reviewing partner are replaced every five years. Consider, from time to time, whether a rotation of the independent auditing firm would be in the best interests of the Company and its shareholders.

Review Financial Statements and Financial Disclosure.

Table of Contents

- Review and discuss the annual audited financial statements and quarterly financial statements with management and the independent auditor, including disclosures under “Management’s Discussion and Analysis of Financial Condition and Results of Operations”, the report of the independent auditor thereon, and disclosures regarding critical accounting estimates, and discuss any significant issues encountered in the course of the audit work, including any restrictions on the scope of activities, access to required information or the adequacy of internal controls.
- If so determined by the Committee, based on its review and discussion of the audited financial statements with management and the independent auditor, its discussions with the independent auditor regarding the matters required to be discussed by SAS 61, and its discussions regarding the auditor’s independence, recommend to the Board that the audited financial statements be included in the Company’s annual report on Form 10-KSB.
- Review the CEO and CFO’s disclosures and certifications set forth in the Company’s Forms 10-QSB and 10-KSB under Sections 302 and 906 of the Sarbanes-Oxley Act of 2002.
- Discuss earnings press releases (paying particular attention to any use of “pro forma”, or “adjusted” non-GAAP information), as well as the financial information and earnings guidance provided to analysts and rating agencies. This may be done generally and does not require the Committee to discuss in advance each earnings release or each instance in which the Company may provide earnings guidance.

Periodic Assessment of Accounting Practices and Policies

- Obtain and review timely reports from the independent auditor regarding: (1) all critical accounting policies to be used; (2) all alternative treatments of financial information within GAAP that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor; and (3) other material written communications between the independent auditor and management, such as any management letter or schedule of unadjusted differences.
- Review with management and the independent auditor the effect of regulatory and accounting initiatives, as well as off-balance sheet structures on the financial statements of the Company.
- Review changes in promulgated accounting and auditing standards that may materially affect the Company’s financial reporting practices.
- Review any reports by management regarding the effectiveness of, or any deficiencies in, the design or operation of internal controls and any fraud, whether or not material, that involves management or other employees who have a significant role in the Company’s internal controls. Review any report issued by the Company’s independent auditor regarding management’s assessment of the Company’s internal controls.

Proxy Statement Report of Audit Committee

- Prepare the report required by the rules of the SEC to be included in the Company’s annual proxy statement.

Related-Party Transactions

- Review and approve all related-party transactions, including transactions between the Company and its officers or directors or affiliates of officers or directors.

Hiring Policies

- Set clear hiring policies for the Company’s hiring of employees and former employees of the independent auditor who were engaged on the Company’s account, and ensure that such policies comply with any regulations applicable to the Company from time to time.

Ethics Compliance and Complaint Procedures

- Develop, and monitor compliance with, a code of ethics for senior financial officers pursuant to, and to the extent required by, regulations applicable to the Company from time to time.
- Develop, and monitor compliance with, a code of conduct for all Company employees, officers and directors pursuant to, and to the extent required by, regulations applicable to the Company from time to time.

[Table of Contents](#)

- Establish procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters.
- Establish procedures for the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

Duties Exclusive to the Audit Committee

The following duties, previously set forth in this Charter, shall be the exclusive responsibility of the Committee:

- Select and retain the independent auditor; determine and approve compensation of the independent auditor; resolve disagreements between management and the independent auditor; oversee and evaluate the independent auditor and, where appropriate, replace the independent auditor, with the understanding that the independent auditor shall report directly to the Committee.
- Pre-approve the retention of the independent auditor for all audit and such non-audit services as the independent auditor is permitted to provide to the Company and approve the fees for such services. (Pre-approval of audit and non-audit services may be delegated to one or more independent members of the Committee so long as that member or those members report their decisions to the Committee at all regularly scheduled meetings).
- Establish procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters.
- Establish procedures for the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

Evaluation

The Committee shall review and reassess the adequacy of this Charter at least annually and submit proposed changes to the Board for approval. The Committee has the powers and responsibilities delineated in this Charter. It is not, however, the Committee's responsibility to prepare and certify the Company's financial statements, to guaranty the independent auditor's report, or to guaranty other disclosures by the Company. These are the fundamental responsibilities of management and the independent auditor. Committee members are not full-time Company employees and are not performing the functions of auditors or accountants.

The Committee shall obtain or perform an annual evaluation of the Committee's performance and make applicable recommendations for improvement.

It is not the responsibility of the Committee to plan or conduct audits or to determine whether the Company's financial statements are complete and accurate or in conformance with generally accepted accounting principles.
